Japan;

that I am well acquainted with both the Japanese and English  
languages;

that, for entering the national phase of the  
above-identified international application, I have prepared an  
English translation of the Japanese specification and claims  
as originally filed with the Japanese Patent Office (Receiving  
Office); and

that the said English translation corresponds to the said  
Japanese specification and claims to the best of my knowledge.

I also declare that all statements made herein of my  
knowledge are true and that all statements made on information  
and belief are believed to be true; and further that these  
statements were made with the knowledge that willful false  
statements and the like so made are punishable by fine or  
imprisonment, or both, under Section 1001 of Title 18 of the  
United States Code, and that such willful false statements may  
jeopardize the validity of the application, any patent issuing  
thereon, or any patent to which this verified statements is  
directed.
